I.T.	<p>I.T. Specialist - St. Petersburg, FL Office We are seeking a self motivated employee, with strong attention to detail, to assist our IT Team.</p> <p>We are looking for the multi-tool of IT people. Responsibilities will include:</p> <ul style="list-style-type: none"> • Backup Administration • Help Desk Support • Network Support • Server Administration <p>We are a primarily Microsoft / DELL shop. The company is small (20 - 25 employees) with several locations which we have to remotely administer. There currently is a System Architect / Web Developer who shares some of the responsibilities. However, primary interaction with employees will be part of the responsibilities. Applicants will be screened primarily on problem solving/learning techniques as it would be unreasonable to expect anyone to come with this set of experience.</p>
