

LIG'S BULK/LIQUID TERMINAL PROGRAM

THE PROGRAM

Has been designed exclusively for Bulk or Liquid Terminals with at least some waterfront exposure and is available in all states.

STOCK THROUGHPUT

The linchpin of this program is a comprehensive and very competitive Stock Throughput policy which covers Bulk or Liquid products in transit by any mode: barge, ship, rail or truck. Plus, whilst in storage at owned or non-owned locations regardless of whether short or long term.

In addition, business personal property, equipment and loss of income can all be included. The perils are very broad and can include flood, wind and earthquake.

A separate policy for real property can be offered and is particularly suited for higher hazard or waterfront property.

QUALIFICATIONS

Each section is available monoline.

Minimum premium:
\$25,000 for Stock Throughput
\$10,000 other sections

EMPLOYEES

WORKERS COMPENSATION/LONGSHORE

Protects workers on land and on the waterfront.
Statutory limits are provided for the WC & Longshore.
Available in all states including Monoline Longshore in Monopolistic states.
Up to \$1 million of Employer's Liability coverage is included.

MARITIME EMPLOYERS LIABILITY

This provides the critical coverage for employees who work on or from any non-owned vessels in navigation, and can be provided on an incidental basis or with full coverage as needed.
An automatic limit of \$1 million is provided.

MARINE PACKAGE

A full marine package program is also available and can include Marine General Liability, Wharfingers/Landing Owners Legal Liability, Stevedores/Terminal Operators Legal Liability, Hull, Protection & Indemnity, OPA Pollution, Umbrella and all other marine lines.
