

LIG'S DIVEPAK PROGRAM

THE PROGRAM

Has been designed exclusively for Diving Contractors or Marine businesses with Diving Exposure (excluding Energy) to provide the needed coverage to fulfill contract requirements, in addition to providing an array of options to protect their business and employees.

The program features **a flexible and creative** underwriting approach to allow it to be tailored to most circumstances. With LIG, you can have the confidence of the best Marine and Workers Compensation underwriters working together for your client.

QUALIFICATIONS

Each section is available monoline, except if requesting WC/USL&H then must also include MEL.

Minimum premium is
\$55,000 – WC/USL&H/MEL
\$10,000 – Any combination of all other lines

EMPLOYEES

WORKERS COMPENSATION/LONGSHORE

A+ rated licensed carriers.

One policy covering State Act and Longshore Act exposures, including State Act Diving **at State Act Rates and Codes**.

"Non-Assessable" and no "Joint and Several Liability".

Statutory limits are provided for the WC & Longshore.

Up to \$1 million of Employer's Liability coverage is included.

Protects Divers, Tenders, and other employees on land and on the waterfront.

MARITIME EMPLOYERS LIABILITY

This provides the critical coverage for employees diving or working from any vessel, owned or non-owned. An automatic limit of \$1 million is provided with excess available as needed. Can utilize either Domestic or London facilities.

LIABILITIES

MARINE GENERAL LIABILITY

Will ensure that all the liabilities to third parties are fully covered including Ship Repairer's Legal Liability and other Care Custody and Control endorsements as needed. Coverage can also include Action Over Indemnity, a crucial coverage for diving contractors.

Options include Protection & Indemnity and Pollution for any owned vessels, Umbrella, Professional Liabilities and International Liabilities for any work worldwide.

PHYSICAL DAMAGE

HULL, EQUIPMENT AND WATERFRONT PROPERTY

Can be included as needed, including "over the side" coverage for equipment while tethered to the vessel or diver, and coverage for any ROV/AUV.

Limits to \$10 million and up as required.
